EATEN BY RATS.

Unknown Dead Man in a Vandewater Street Garret.

The neighbors missed the aged tenant and suspecting something wrong, forced the door of his room. He was a Freuchman and spoke very little English. The Coroner was notified.

Do You Ever Wash Your Hair Brush?

> This is the best way: Put one teaspoonful of Pearline into a basin of warm water; wash the brush thoroughly in it; rinse

in clean water, and set it aside, bristles down, to dry. This is only one-a small oneof the numberless uses to which you can put Pearline. Once you have it in the house, you will find

something new for it to do, every day. It does your washing and cleaning better than soap. Try it on anything for which you've been

using soap, and see. Beware you, "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, if your grocer sends you an imitation, be honest—send it back. 387 JAMES PYLE.
